Countless climbs, loose rock, steep grades, and sandy wash crossings. Watch for thorns.

Almost continuous riding for advanced riders, short stretches of difficult terrain.

Excellent singletrack riding.

Decent singletrack, accordion foothills at the beginning.

Excellent, moderate singletrack.

Excellent, moderate singletrack.

Great, but varied with easy flat to lung-wrenching climbs and crazy downhill.

A local proving ground for technical riders. Steep and loose for 13 hardcore miles.

Fun and easy.
